DETAILED ACTION***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on June 28, 2004 has been entered.

Priority

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in the People's Republic of China on September 7, 1999. Although the Examiner inadvertently stated in the previous Notice of Allowability, mailed March 24, 2004, that the documents have been received, it is noted that applicant has not filed a certified copy of Chinese Patent Application No. ZL99244527 as required by 35 U.S.C. 119(b).

Reason for Allowance

Claims 10, 11, 13-18, 20-25 and 27-29 are allowed. Independent claims 10, 18 and 24 include the allowable subject matter recited in claims 12, 19 and 26, respectively. Claims 12, 19 and 26 have, therefore, been cancelled accordingly. Method Claim 17, amended by Examiner's amendment on March 11, 2004, recites subject matter corresponding to the independent apparatus claims.

The following is a statement of reasons for the indication of allowable subject matter: the limitation regarding the at least one clip mounting feature projecting outward from the chassis, and the securing clip having at least one flexible tab for engaging the clip mounting feature of the chassis, in combination with the rest of the elements or steps, is not taught or suggested by

the art references. Claims 11 and 13-16 depend, either directly or indirectly, from claim 10; and claims 20-23 depend, either directly or indirectly, from claim 18. The dependent claims are therefore allowable for at least the reasons provided above.

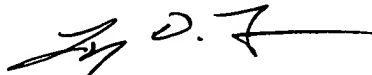

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
